

# **GLOBAL BUILDERS - RESIDENTIAL AND COMMERCIAL SERVICES**

*Specialized in insurance repair and replacement for our mutual clients.*

## **Special Services Provided for Insurance Professionals:**

*Because we work with and are trusted by many insurance carriers, we offer the following services as a convenience to our friends in the industry:*

### **24/7 Emergency Service**

You can count on us to always be ready and available to address your clients' water and fire damage with our 24 hour, on call, emergency service response for water extraction and dry-out, fire board-up and contents removal.

### **24/7 Emergency Tarping**

For your clients affected by wind, storm, hail or fire damage, our technicians are available to address leaks and damage that cannot wait until the next business day so to avoid further damage to their property and contents.

### **Estimating Services**

Our professional estimators are available on a contractual basis to provide detailed, diagramed and itemized estimates for your company.

### **Identifying Water Class and Category Services**

It takes a trained professional to assess the class and category of water damage. Our staff is readily available to help your company determine the extent of loss for your client's water claim. Our certified staff is available to provide thorough assessments with itemized estimates for water damage claims.

### **Roof Assists**

Is your company in need of a professional who can represent you with integrity and honesty? With over 17 years of experience in working with insurance professionals and claims, as well as being contracted by carriers to perform adjuster services, we are available on a contractual basis to represent your company by providing roof assist services.

### **Preferred Contractor Services**

Global has been approved by a third-party credentialing company, Crawford Contractor's Connection, as meeting all standards necessary for Preferred Contractor status with insurance companies. We are pleased to offer our professionalism and value-added care for our mutual clients. Please contact us to establish a Preferred Contractor partnership you can count on!
